

Tirolina – Skiing & Tobogganing Fun

Just two of the many opportunities at the Tirolina Thiersee. The small ski resort has well-groomed snow-covered runs. There is something for everyone, from accomplished skiers to those with less experience. Children in particular enjoy themselves on the wide-open pistes. The toboggan run has artificial snow in places and offers tobogganing fun both day and night.

You don't ski or enjoy tobogganing? Then there are snowshoes, cross-country ski trails, relaxing outdoor lounge chairs and numerous other local treats waiting to be tried and tasted by you ...
